PRICE FOR 1 COMPLETE CYCLE \$ \_\_\_\_\_

CYPRESS SHORES DITCH MOWING

PRICE FOR 1 COMPLETE CYCLE \$ \_\_\_\_\_

**City of Mobile**  
**Ditch Mowing Specifications**

**Mowing (NO BUSH HOGS ALLOWED)**

- Uniformly mow (without scalping or streaking) at the proper height no less than 3.00", no more than 5.00") as measured from the soil line
- Contractor is responsible for mowing all of the areas shown on the supplied maps from the edge of the right of way to the pavement; any questions about this should be directed to the designated City contact
- Mowing equipment shall consist of finishing mowers such as push mowers and string trimmers; bush hog types of mowers are unacceptable
- Blades must be sharp and provide a clean cut
- All guards must be in place
- Clippings need not be removed, but shall be mulched and/or spread uniformly to avoid clumping; large clumps shall be removed
- Litter, including signs, to be removed prior to mowing
- Mowers shall avoid striking ornamental trees; damaged trees shall be replaced, where applicable
- Contractor shall complete each street (including string trimming, blowing) before moving to the next
- To avoid rutting, contractor shall avoid driving heavy mowing equipment on ground that is saturated after heavy rain; ruts shall be repaired
- Discharge chutes must be in a downward position to eliminate any hazard during operation of mowing

**String Trimming**

- Vegetation shall be controlled on and around trees, signs, mailboxes, posts, fences, utility poles, light poles, and all stationary objects using a string trimmer
- String trimming shall be considered an integral part of mowing and shall be done at the same time as the mowing operations for each area
- Trimming shall be at the same cutting height listed for the surrounding grass
- Damage to trees is a particular concern with string trimmers; contractor shall ensure that string trimmers do not come into contact with trees; damaged trees shall be replaced

- Contractor shall notify the designated City contact(s) using e-mail or text message of streets completed every two weeks in accordance with the established schedule. Phone calls or voice mail is insufficient. An inspection will not be performed until the City is properly notified, potentially allowing vegetation to grow or litter to accumulate, which would require the contractor to revisit the site before payment is released.
- When notifying City contact of the completion of a cycle, contractor shall report the number and size of bags of litter collected per cycle by street
- All specifications must be met before payment is released
- Any initial cleanup is included in the bid price.
- City may inspect job site at any time

- The contractor shall notify the City every two weeks of the streets that have been completed; the contractor shall be paid for the streets that have been **completed** during that two week period (**THIS ONLY APPLIES TO DAUPHIN ISLD PKWY DITCH CONTRACT; and only two payments are allowed per each cycle**) ; the payment shall be based on the percentage of the linear feet of each ditch on each street as compared to the total linear feet of ditches within the contract area, based on the total contract price; if the cycle time for the area exceeds eight weeks the contractor will be penalized 2% per day of the total cost of those streets that exceeded the eight week cycle. **The contractor CANNOT skip streets but complete the streets' ditches consecutively.** Contractors working on Cypress Shores' ditches will be paid once per each completed cycle.
- The contractor must NOT jump from one street until all ditch mowing is completed. Then, proceed to the next street to continue ditch mowing.
- If the contractor completes the streets in a period shorter than eight weeks they will be paid on a bi-weekly basis for all streets as they are completed; the contractor may not start the next cycle until the date shown on the above schedule.
- In the event of a natural disaster (a named tropical storm or hurricane) the contract may be suspended for an agreed upon period of time; payment shall not be made for a missed operation
- Any used tires found in or around a ditch will be piled by the contractor in one location accessible to a truck and trailer and the City Public Works' Trash Division contacted for removal.
- Contract employees shall be neat and well groomed and shall wear identifiable uniforms
- Contractor vehicles must be marked with business' name and/or business logo

WITNESSETH, that this Provider and the City, for the considerations stated herein, agree as follows:

**ARTICLE 1. Scope of the Work.** The service, term, location, frequency and lump sum cost or unit price of the work are as set out in Exhibit A, the bid proposal, which is attached to this Agreement and incorporated by reference herein.

If the certificate of insurance referenced in this Agreement does not evidence insurance of owned vehicles, said certificate and this sentence shall evidence the Provider's covenant that it does not own any vehicles and that it will not purchase or obtain any vehicles during the term of this Agreement. Said certificate shall require that said insurance coverage will not be altered or terminated unless the City shall have been given written notice of such alteration or termination delivered to the City not less than thirty (30) days before the effective date of such alteration or termination.

c. Professional liability insurance

Provider shall provide a certificate of professional liability insurance coverage naming the City of Mobile as an additional insured. Coverage shall be, at a minimum, \$1,000,000.00 per event.

**ARTICLE 3. Breach of Contract:** In the event of any breach or apparent breach by Provider of any of its obligations under the terms of this Agreement, the City has the right to terminate the Agreement and pay only for work successfully performed. In the further event that City shall engage

the services of any attorney to protect or to enforce its rights with respect to said breach or apparent breach, then and in those events, Provider agrees to pay and to reimburse any and all reasonable attorneys' fees and expenses which City may incur with respect to City's enforcement of this Agreement; regardless of whether said attorneys' fees and costs shall be incurred in connection with any litigation or in connection merely with advice and representation provided without litigation.

**ARTICLE 4. Indemnification:** Provider agrees to indemnify and hold the City, its elected officials, officers, agents, and employees, whole and harmless from all costs, liabilities and claims for damages of any kind (including interest and attorneys' fees) arising in any way out of the performance of this Agreement and/or the activities of Provider, its principals, directors, agents, servants and employees in the performance of this Agreement, for which the City is alleged to be liable. In the event that the City, through no fault of its own, is made a party to any lawsuit or legal proceeding arising in any way from this Agreement or any activities conducted pursuant thereto, Provider hereby agrees to pay all of City's costs of defense, including but not limited to all attorneys' fees, court costs, expert witness fees and other expenses, through trial and, if necessary, appeal. This section is not, as to third parties or to anyone, a waiver of any defense or immunity or statutory damages cap otherwise available to Provider or City, and these defenses and matters may be raised in the City's behalf in any action or proceeding arising under this Agreement.

**ARTICLE 5. Entire Agreement:** This Agreement is the final expression of the agreement between the parties, and the complete and exclusive statement of the terms agreed upon, and shall supersede all prior negotiations, understandings or agreements. There are no representations, warranties, or stipulations, either oral or written, not contained herein.

**ARTICLE 6. Governing Law and Venue:** This Agreement shall be governed by the laws of the State of Alabama, and the venue for any actions arising out of this Agreement shall be a court of proper jurisdiction in Mobile, Alabama.

See Exhibit C which is attached hereto and incorporated by reference herein.

**ARTICLE 8. No Agency Relationship Created:** Provider, in the performance of its operations and obligations hereunder, shall not be deemed to be an agent of the City but shall be deemed to be an independent contractor in every respect and shall take all steps at its own expense, as City may from time to time request, to indicate that it is an independent contractor. City does not and will not assume any responsibility for the means by which or the manner in which the services by Provider provided for herein are performed, but on the contrary, Provider shall be wholly responsible therefore.

**ARTICLE 9. Nondiscrimination:** Provider shall comply with all Federal, State and local laws concerning nondiscrimination, including but not limited to City of Mobile Ordinance No. 14-034 which requires, inter alia, that all contractors performing work for the City of Mobile not discriminate on the basis of race, creed, color, national origin or disability, require that all subcontractors they engage do the same, and make every reasonable effort to assure that fifteen percent of the work performed under contract be awarded to socially and economically disadvantaged individuals and business entities.

**ARTICLE 10. Method of Payment:** Provider shall provide two copies of any invoice, upon satisfactory completion of service, as verified by written statement of the department(s) to which service was provided, to the Accounting Department, City of Mobile, 205 Government Plaza, Mobile, AL 36602, or P. O. Box 389, Mobile, AL. 36601
