August 26, 2026

Please consider the following to be Addendum to City of Mobile Bid# 6070 for DIVE EQUIPMENT

DELETE

LINE 6 information and applicable information

REPLACE WITH THE FOLLOWING:

Line 6 – Edge Precision 3 Hi-Vis Console Global with Black Face – or equal -

Edge Precision 3 Hi-Vis Console Global with black face shall be provided as specified.

Console shall provide pressure, depth, and directional/compass information in a single console assembly.

Gauges shall have high-visibility markings and black face for clear readability during low-light and limited-visibility diving operations. Console shall be suitable for professional diving operations in fresh and saltwater environments and shall include required high-

pressure hose and connections for installation with the regulator system.

Unit shall be compatible with the regulator and dive equipment currently in service.

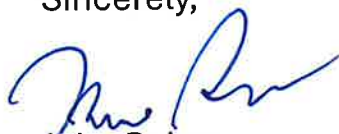

Brand standardization is required to maintain equipment consistency, operational familiarity, and standardized training among dive team personnel.

ADD:

SPECS SHEETS MUST ACCOMPANY THE BID OR BID WILL BE DISQUALIFIED

Thank you for your consideration in this matter.

Sincerely,

John Paine
