RFQ Questions as of 3:00 p.m. on 7/31/26

1. The original RFQ asked for Attachment B and C to be completed as part of the response package. Addendum 2 provides forms for Attachments B, C, and D. Do you want Attachment D, Subcontracting and Major Supplier Plan, completed?

If so, given this is a qualifications package without pricing, how do you want us to determine areas that ask for bid/proposal amount and dollars to be subcontracted?

Should these areas be left blank?

- Attachment D, Subcontracting and Major Supplier Plan, needs to reflect the information provided in Attachments B and C.

- For the RFQ submittal package, you may place "TBD" (To Be Determined) in the area that ask for amounts and percentages. NOTE: Amounts and percentages will be required to be obtained by the time the contract is executed.
