WELCOME TO SUMMER!

Mobile, it's time.

Time to move.
Time to connect.
Time to explore.
Time to play.

Summer is here, and all across Mobile, our parks, community centers, and sports facilities are ready for you.

Kids can explore STREAM programs that spark curiosity and discovery through activities like outdoor paddling, geocaching adventures, and a Mission to Mars challenge. Teens can connect and build confidence through leadership programs, creative studios, social events, and career exploration opportunities. Adults and seniors can stay active and engaged in arts workshops, language courses, and social clubs. And through our athletics programs, Mobilians of all ages are invited to get in the game and active in our parks.

When you flip through this guide, you are not just looking at programs. **You are looking at opportunities.**

Opportunities for your children to discover new talents.
Opportunities for teenagers to connect and grow.
Opportunities for adults to build friendships and try something new.
Opportunities for seniors to stay active and engaged.

Everything we offer is built on our core values of Customer Service, Teamwork, and Diversity. We are proud to serve this city and to create spaces where neighbors become friends and experiences grow into lifelong hobbies and healthy habits that bring people back to our facilities again and again.

Whether this is your first time joining us or you have been part of MPRD for years, **we invite you to jump in, sign up, show up, and be part of something bigger.**

This is your summer.
This is your community.
And we cannot wait to see you.
