

# Weight Declaration Form

The purpose of this document is to declare the weight that a horse will have to carry and to ensure that it is not overburdened. This document is to be completed by the Rider.

**Rider Name:** \_\_\_\_\_ **DOB:** \_\_\_\_\_

**Contact #:** \_\_\_\_\_

**I am riding in the following parades:** \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

## Weight Calculation

- A. Rider Weight is: \_\_\_\_\_ lbs
- B. Estimated Costume, Throws, and Saddle Weight: \_\_\_\_\_ lbs
- C. Approximate Total Weight (Line A + Line B): \_\_\_\_\_ lbs

It is important that riders are truthful in listing accurate weights above. If a horse appears to be overburdened or collapses during a parade, Animal Control Officers may verify the weights listed during their investigation.

## Certification:

I hereby certify that the weights listed above are true and accurate. I further understand that I must notify my vendor (if applicable) and the City of Mobile Animal Services Department if any significant changes (+/- 10 lbs), in the above listed weights, occur before the parade.

**Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_
