**ACTION PLAN-ONE YEAR USE OF FUNDS SUMMARY**  
**TWO WEEK NOTICE PERIOD AND**  
**30 DAY COMMENT PERIOD**

In accordance with 24 CFR Part 91, the City of Mobile's ("the City's) Community & Housing Development Department hereby publishes a summary of its Proposed Program Year (PY) 2026 (May 1, 2026 -April 30, 2027) Action Plan One Year Use Of Funds Submission for citizen comment for a period of at least thirty (30) calendar days from the date of publication. The summary was published in order to afford affected citizens an opportunity to examine contents and to submit comments relating thereto.

The Final PY 2026 Action Plan was developed after giving consideration to citizen comments and alternative proposals received at a Public Hearing conducted by the City's Community & Housing Development Department on November 13, 2025 at 10:30 a.m. and from the timely receipt of written comments and alternative proposals received in the Community & Housing Development Department on or before December 17, 2025 at 4:00 p.m. following the publishing of the Proposed PY 2026 Action Plan-One Year Use of Funds Summary in the Lagniappe Mobile on October 29, 2025. Please note, any comments received during the two week notice period prior to the beginning of the at least thirty (30) calendar day comment period will not be considered.

Copies of the City's Proposed PY 2026 Action Plan-One Year Use of Funds are available for inspection in the City's Community & Housing Development Department, 205 Government Street, South Tower, 5<sup>th</sup> Floor, Suite 517 from 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays.

The City's Community & Housing Development Department encourages citizens to participate in the development of its Final PY 2026 Action Plan One Year Use of Funds Submission and is thereby making the Plan available for public inspection and comment for a period of at least thirty (30) calendar days.

**I. BACKGROUND:**

In 1995 the U.S. Department of Housing & Urban Development (HUD) introduced a consolidated application process involving four HUD Community Planning and Development (CPD) formula programs: Community Development Block Grants (CDBG), HOME Investment Partnerships (HOME), and Emergency Shelter Grants (ESG). This process replaced at that time all current HUD-CPD planning and application requirements with a single submission, and satisfied the minimum statutory requirements for the four referenced HUD-CPD formula programs. The Emergency Shelter Grants were later renamed Emergency Solutions Grant.

In summary, the Consolidated Plan actually serves four separate, but integrated, functions. The Consolidated Plan is 1) A planning document for the City, which builds on a participatory process; 2) An application for federal funds under HUD's formula grant programs referenced above; 3) A strategy to be followed in carrying out HUD programs, and lastly; 4) An action plan that provides a basis for assessing performance. The City's Five-Year Consolidated Plan covers the period May 1, 2023 thru April 30, 2027 and contains six basic components: (1) housing and homeless needs assessment, (2) housing market analysis, (3) strategies and priority needs and objectives, (4) action plan, (5) certifications, (6) monitoring. The action plan and certification portions of the document must be submitted annually to HUD for approval.

Copies of the City's PY 2023-2027 Consolidated Plan are available for inspection in the City's Community & Housing Development Department, 205 Government Street, South Tower, 5<sup>th</sup> Floor, Suite 508 from 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays.

## **II. PROPOSED PROGRAM YEAR 2026 ACTION PLAN SUMMARY:**

The City's Action Plan-One Year Use of Funds is an annual description of the City's Federal and other resources that are expected to be available to address its priority needs and how the Federal funds will leverage other resources. The description includes activities for Plan Year (PY) 2026 (May 1, 2026 thru April 30, 2027) for the City to address its priority needs. The Action Plan explains where the assistance will be directed by geographic area during PY 2026.

The Proposed Action Plan also includes narrative, maps and tables which identify the geographic areas in which it will direct assistance, a description of homeless and other special needs activities, as well as a description of other actions to foster affordable housing, public housing improvements and resident initiatives, evaluation and reduction of lead-based hazards, reducing the number of persons below the poverty line, development of the City's institutional structure, efforts to enhancing coordination between housing and service agencies, and assistance to public housing.

Additionally, the Proposed Action Plan includes program specific requirements such as: a) the total amount of CDBG, HOME, and ESG funds allocated including anticipated program income; b) For the HOME Program, a description of; i) Other forms of investment, if any, to be used; ii) for use of HOME funds for homebuyers, a description of guidelines for resale or recapture of HOME funds required under 24 CFR 92.254; iii) for use of HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds a description of the City's refinancing guidelines required under 24 CFR 92.206(b).

The Proposed Action Plan contains a narrative description of the standards and procedures that the City will use to monitor activities that it will carry out in advancing its plan. Also included are definitions, required certifications and other statutory and program requirements.

**III. PY 2026 CONSOLIDATED FORMULA ALLOCATION:**

The following is a description of the Federal resources that the City’s Community & Housing Development Department estimates to be available during PY 2026 and the activities to address the priority needs identified in the City's PY 2023 thru PY 2027 Consolidated Plan.

The City's Consolidated Formula Allocation for PY 2026 has yet to be released by HUD. Should the actual allocation differ from the estimated allocation in an amount that causes the need of a substantial amendment, the following projects will be adjusted accordingly: CDBG-Housing Programs, HOME-Rental Activities, and ESG-Administration.

The eligibility and beneficiary outcome for the CDBG Float Loan Program described in the proposed budget will be determined by the applications received for qualified activities. Any float funded activity will be required to have an irrevocable letter of credit from a banking institution to secure the funding should the activity fail to produce an eligible activity or should the funding be needed for the original activity the float amount was derived from. The requirement for an irrevocable letter of credit may be waived, at the City’s discretion, for proposals that include funding toward Public Housing and/or Rental Assistance Demonstration. In the unlikely event that this requirement is waived and the loan becomes defaulted upon, the City would balance any shortfall by defunding Administration up to \$300,000, Blight Removal up to \$175,000, Volunteer Paint Program up to \$85,000, Residential Rehabilitation Loans up to \$100,000, and Housing Rehabilitation up to \$340,000. Even if defaulted upon, the float funded activity must still meet a National Objective and Eligible Activity. Float Activities are required by HUD to be shown as an activity and program income for budgeting purposes. The actual term of a float loan will be 6-30 months depending on the need of the individual activity.

Under the HOME Program, should an entity be designated a CHDO and fit one of the other funding categories, the City may include them in either location during activity setup in IDIS.

Included with the PY 2026 Formula Allocation are estimations to be utilized for planning purposes which includes an estimate of the annual allocation, anticipated program income receipts, surplus income from urban renewal settlements, grant funds returned to the City's line of credit for which the planned use has not been included in a prior statement or plan, and income from float-funded activities as follows:
